## MAKE PHO at HOME!

**The Broth**  
This convenient pouch from Gia Vi Nau has all the special spices to make for a delicious pho broth. Add this spice pack into soup and boil for about 20 minutes. Remove spice pack before eating!

**The Noodles**  
We have a variety of rice noodles for pho. Try Simply Food Fresh Rice Vermicelli or Royal Blossom Rice Sticks! Soak noodles in water until soft and then cook noodles in boiling water until desired softness.

**The Meat**  
Our thinly sliced sukiyaki beef isn't just great for sukiyaki, but also Pho! Arrange the thinly sliced meat in a bowl, add noodles and top with piping hot broth (ensure meat is fully cooked before eating).

Garnish with your favorite pho condiments like basil, mint, cilantro, bean sprouts, green onions, lime wedges, fish sauce, sriracha or hoisin sauce!
